The United Martial Arts Federation

“Uniting Martial Arts through Cooperation”

The United Martial Arts Federation is dedicated to quality service for it’s members. That includes continuing and supplemental education. We have gathered some of the best martial artists in the world for this event. This is the oportunigty of a lifetime to come out and train with the best.

This will be the first in a series of seminars that the UMAF will be hosting. This Seminar being designed as an introduction to what we have to offer. Further Seminars are to follow. Our goal is to help you find the continuing education that you need. Come out and train with the UMAF.
